Parent/Guardian Executive Function Survey

Directions: Please take a few moments to complete the following survey. For each statement, check the appropriate box to the right. **Adult Directed** means the child can accomplish the task if an adult is leading the experience. With **Adult Support** means the child can do it with help. **Independently** means the child can do it on her/his own.

Executive Function Statement:	Adult Directed	With Adult Support	Independently
When my child has a conflict with another child, my child considers the perspective of others, as well as her/his own.			
My child understands how others are feeling.			
My child likes to help others.			
My child remembers and describes past events with detail.			
My child can perform a task that involves multi-step directions (e.g., after your chores, complete your homework before using the computer).			
My child can make predictions.			
When making a decision, my child considers multiple outcomes.			
My child makes wise choices when managing time.			
My child can identify the consequences of her/his actions.			
My child can pay attention to a singular activity at a given time.			
My child can develop and carry out a plan to achieve a personal goal.			
My child considers the people in attendance and the places of social engagements.			
My child chooses to make good choices.			
My child reflects on her/his progress toward meeting a goal.
